The Series in Chapter 41; 16. , n, and o 17. The Dating Formula; 18. Chapter 45: n n; 19. The Other i; Bibliography; General Index; Index locorum
Sommario/riassunto	A critical analysis of Aristotle's historical document on Athenian democracy, which starts from the belief that the "Athenaiion Politeia" does not fit any ancient genre. The author argues that Aristotle created a new genre and was not therefore inhibited by generic constraints of any kind.
