Nota di contenuto	I. A transnational perspective of terrorism in Southeast Asia -- II. Regional perspectives on terrorism in Southeast Asia -- III. Southeast Asia's ideological and physical enabling environment.
Sommario/riassunto	This timely work examines the scale and root causes of terrorism across Southeast Asia, including the role of al-Qaeda's ascendancy in the region. It begins with an overview of the analytical and theoretical framework for discussing the subject. Individual chapters then examine terrorist activities from both functional and country-specific perspectives. The book traces fundamental linkages between terrorism and security issues, such as illegal immigration, narcotics trafficking, and other criminal activity. In addition, it considers the issue of convergence - the growing connection between cri
