

1. Record Nr.	UNINA9910960534703321
Autore	Harrison Robert Pogue
Titolo	The dominion of the dead // Robert Pogue Harrison
Pubbl/distr/stampa	Chicago, : University of Chicago Press, 2003
ISBN	9786612584794 9781282584792 1282584790 9780226317922 0226317927
Edizione	[1st ed.]
Descrizione fisica	1 online resource (224 p.)
Classificazione	CQ 7600
Disciplina	306.9
Soggetti	Death - Psychological aspects Death - Social aspects
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 183-198) and index.
Nota di contenuto	The earth and its dead -- Hic jacet -- What is a house? -- The voice of grief -- The origin of our basic words -- Choosing your ancestor -- Hic non est -- The names of the dead -- The afterlife of the image.
Sommario/riassunto	How do the living maintain relations to the dead? Why do we bury people when they die? And what is at stake when we do? In <i>The Dominion of the Dead</i> , Robert Pogue Harrison considers the supreme importance of these questions to Western civilization, exploring the many places where the dead cohabit the world of the living-the graves, images, literature, architecture, and monuments that house the dead in their afterlife among us. This elegantly conceived work devotes particular attention to the practice of burial. Harrison contends that we bury our dead to humanize the lands where we build our present and imagine our future. As long as the dead are interred in graves and tombs, they never truly depart from this world, but remain, if only symbolically, among the living. Spanning a broad range of examples, from the graves of our first human ancestors to the empty tomb of the Gospels to the Vietnam Veterans Memorial, Harrison also considers the authority of predecessors in both modern and premodern societies. Through inspired readings of major writers and thinkers such as Vico,

Virgil, Dante, Pater, Nietzsche, Heidegger, and Rilke, he argues that the buried dead form an essential foundation where future generations can retrieve their past, while burial grounds provide an important bedrock where past generations can preserve their legacy for the unborn. *The Dominion of the Dead* is a profound meditation on how the thought of death shapes the communion of the living. A work of enormous scope, intellect, and imagination, this book will speak to all who have suffered grief and loss.
