

1. Record Nr.	UNINA9910960557003321
Titolo	Stemming the tide : controlling introductions of nonindigenous species by ships' ballast water // Committee on Ships' Ballast Operations, Marine Board, Commission on Engineering and Technical Systems, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1996
ISBN	9786610191925 9780309175418 0309175410 9781280191923 1280191929 9780309589321 0309589320 9780585024790 0585024790
Edizione	[1st ed.]
Descrizione fisica	1 online resource (157 p.)
Disciplina	591.52/63
Soggetti	Animal introduction Nonindigenous aquatic pests - Control Discharge of ballast water - Management
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
