The way forward.                                                                                                                                                                                                                |
| Sommario/riassunto      | The author examines the moral, methodological, and practical problems that arise from poverty measurement. He establishes a methodological framework for analyzing poverty conceptions and                                                                                                                                                 |

measures, and concludes with concrete recommendations regarding both the procedures for and substance of future global poverty measurement.
