| Sommario/riassunto      | Novels about growing up have long been loved by ordinary readers and analyzed, sometimes with more heat than light, by scholars. This book respects the interests of ordinary readers while clarifying and   |

frequently resolving the moral, psychological, social, and occasionally religious coming-of-age dilemmas that scholars have wrestled with. Focusing on Goethe's *Wilhelm Meister*, Dickens's *David Copperfield*, James's *What Maisie Knew*, Forster's *The Longest Journey*, Lawrence's *Sons and Lovers*, and Santayana's *The Last Puritan*, Jeffers writes in a fresh, engaging style meant to give criticism a liveliness and even brilliance it has in recent decades often lacked.

#### Sommario/riassunto

Surrogate Court dockets are filled with cases involving family members fighting over the assets and intentions of a deceased parent or spouse. Probate Wars of the Rich & Famous: An Insider's Guide to Estate Planning and Probate Litigation tracks the estate litigation cases of Anna Nicole Smith, Brooke Astor, Michael Jackson, Nina Wang, Jerry Garcia and Leona Helmsley and identifies the five universal factors that caused such disputes. Each chapter provides estate planning insights designed to help individuals plan their estates without causing litigation. If, however, probate litigation
