Sommario/riassunto	Although famous for his purported last words-"I only regret that I have but one life to lose for my country"-few people know the real Nathan Hale. M. William Phelps brings into focus the life of this famed patriot and first spy of the American Revolution, charting Hale's rural childhood, his education at Yale, and his work as a schoolteacher. Like many young Americans, he was soon drawn into the colonies' war for independence and became a captain in Washington's army. When the general was in need of a spy, Hale willingly rose to the challenge,

Sommario/riassunto	International in perspective, this volume provides insights into the important problem of how to transfer Japanese practice to Western countries. It also examines key aspects of Japanese multinationals and discusses how they are developing their global strategies and how they are managing their local workforces. Topics covered include relations with suppliers, governments and competitors, leadership patterns and business philosophy. The impact of Japanese multinationals on the local economies of host countries is a particular focus. The dynamics of strategic alliances, technology transfers
