Sommario/riassunto	Here is a fascinating first-hand perspective of the dramatic changes that have occurred in academic library administration over the past five decades. In Leadership in Academic Libraries, distinguished directors of academic and research libraries pay tribute to W. Porter Kellam, Director Emeritus of the University of Georgia, by presenting an overview of the course of academic and research libraries over the span of his 50 year career. Administrative leaders in academic librarianship including Stuart Forth, Richard Chapin, Frank Grisham, and Ken Toombs offer a frank, perceptive, and witty acco
