| Sommario/riassunto      | In Chapter 1 Paula Gooder discusses the problems of interpreting this text and looks at the major debates of its past interpreters. The most popular modern approach is to compare it with other texts of ascent in the Judaeo-Christian tradition, yet even a brief examination of these texts indicate that differences are present. In the remainder of the book Gooder evaluates the extent and significance of these differences. Part   |

One consists of a detailed consideration of a range of texts which superficially seem closest to 2 Corinthians 12. Chapter 2 presents a history of scholarship on heavenly a
