Sommario/riassunto	The book focuses on three main themes:*overpopulation associated with low productivity, unemployment, persistent poverty and weak savings and investment capacity*the post-1950 development strategies and their outcomes*the institutional structures that are constraining economic and political progress. Egypt in the Twenty First Century is a much needed investigation into the long-term economic reform and restructuring and examines the challenges ahead for the country. It provides authoritative analyses from a collection of respected academics and a wealth of new da
