Sommario/riassunto	Economic individualism and market-based values dominate today's policymaking and public management circles often at the expense of the common good. In his new book, Barry Bozeman demonstrates the continuing need for public interest theory in government. Public Values and Public Interest offers a direct theoretical challenge to the utility of economic individualism, the prevailing political theory in the western world. The book's arguments are steeped in a practical and practicable theory that advances public interest as a viable and important measure in any analysis of policy or public adminis

Sommario/riassunto	Human Cities/SMOTIES – Creative works with small and remote places is a four-year project, started in 2020, and co-funded by the Creative Europe program of the European Union. The SMOTIES Toolbox aims to guide project experts through co-designing public spaces. It has already been prototyped in remote places in 10 European countries and tested in four higher education programs. This book can help to build better places by supporting change through culture-led regeneration and stimulating diverse creative activities to foster the economic and social transformation of local ecosystems. Provides specific tools for regional self-empowerment Sustainable development to promote and safeguard quality of life and work Links to forms, hand-outs, and guidelines to assist and support citizen initiatives Human Cities/SMOTIES – Creative works with small and remote places ist ein vierj�hriges Projekt, das 2020 gestartet wurde und durch das

Creative Europe Programm der Europäischen Union kofinanziert wird. Die SMOTIES Toolbox zielt darauf ab, Projektexterten bei der Mitgestaltung öffentlicher Räume anzuleiten. Sie wurde bereits an abgelegenen Orten in 10 europäischen Ländern als Prototyp eingesetzt und in 4 Hochschulprogrammen getestet. Dieses Buch kann dazu beitragen, bessere Orte zu schaffen, indem es den Wandel durch kulturgeleitete Regeneration unterstützt und vielfältige kreative Aktivitäten anregt, um die wirtschaftliche und soziale Transformation lokaler Ökosysteme zu fördern.
