Sommario/riassunto

This volume contains selected, refereed papers from the ninth conference of the Society for Judaeo-Arabic Studies held at Emory University, Atlanta, in 1999. The title of this volume, *Esoteric and Exoteric Aspects in Judeo-Arabic Culture* highlights the theme running through many of the conference papers: the diversity and vitality of Judeo-Arabic culture. The volume represents the interdisciplinary nature of the field. There are articles on Jewish thought, philosophy and mysticism, language and linguistics, religious studies, intellectual and social history, law, biblical exegesis, and more. The book is an important contribution to our understanding of Judeo-Arabic society in the Middle Ages.
