Sommario/riassunto	More than half a century after the defeat of Nazism and fascism, the far right is again challenging the liberal order of Western democracies. Radical movements are feeding on anxiety about economic globalization, affirmative action, and third-world immigration, flashpoint issues to many traditional groups in multicultural societies. A curious mixture of Aristocratic paganism, anti-Semitic demonology, Eastern philosophies and the occult is influencing populist antigovernment sentiment and helping to exploit the widespread fear that invisible elites are shaping world events. Black Sun examines t
