| Sommario/riassunto      | This second enlarged edition of G rard Tougas' Checklist is essentially a<br>primary bibliography of French-Canadian literature from the nineteenth<br>century to 1968. The Checklist , containing over 2800 titles, represents<br>the holdings of the University of British Columbia Library. The UBC<br>collection comprises a substantial portion of the total body of work<br>published in this field. Included are books, pamphlets and microfilms.<br>In this bibliography, the term literature has been interpreted to include<br>separately published chronicles, literary criticism, biographies, and<br>folklore as well as novels, poetry, drama and short stories. The second<br>edition has been expanded to include bibliographies and theses. |
