Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliography: p221-237. -Includes index. Previously issued in print: 1996.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This is a full account of anti-death penalty activism in America during the years since the ten-year moratorium on executions ended in 1976. It traces the successful assault on capital punishment during the 1960s, and the struggle of abolitionists against the backlash since the mid-1970s.
