Sommario/riassunto	The abuse of history is common and quite possibly once more on the rise. Although this is well documented, there is no general theory that enables historians to identify, prove, explain, and evaluate the many types of abuse of history. In this book, the author, founder of the Network of Concerned Historians, presents such a theory. Reflecting on the responsible use of history, the author identifies the duties that the living has toward the dead and analyzes the rights to memory and history necessary to fulfill these duties. He concludes his powerful argument by proposing a code of ethics as a
