

1. Record Nr.	UNINA9910961515903321
Autore	Okudzhava V. M (Vazha Mikhailovich)
Titolo	Cognitive visual memory in cats / / V.M. Okujava and T.A. Natishvili
Pubbl/distr/stampa	New York, : Nova Science Publishers, c2010
ISBN	1-61668-612-X
Edizione	[1st ed.]
Descrizione fisica	1 online resource (74 p.)
Collana	Animal science, issues and professions
Altri autori (Persone)	Natishvili T. A
Disciplina	152.14/2
Soggetti	Animal memory - Physiological aspects Animal memory - Testing Cats - Behavior - Physiological aspects Cats - Behavior - Testing Visual perception Space perception
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [51]-56) and index.
Nota di contenuto	Preface -- Abstract -- Introduction -- Nonspatial visual recognition memory in cats -- Spatial visual recognition memory -- Two subsystems of spatial visual memory (delayed response problem) -- Conclusion: Memory revisited, from retrospective to perspective.
Sommario/riassunto	The role of cognitive memory in 'becoming' of the complexly organised systems is briefly considered from the viewpoint of the general systems theory; the role of Georgian neurophysiologists in emphasising cognitive aspects of memory role in animal behaviour is underlined. This book examines the aspects of cognitive visual memory in cats.
