Sommario/riassunto	How does the foreign policy of reunified Germany differ from the West German strong commitment to multilateralism? Multilateralism, German Foreign Policy and Central Europe focuses on German relations with the Czech Republic and Poland in order to investigate the changes and continuities in German foreign policy following the Cold War. After a theoretical introduction and an overview of multilateralism in German foreign policy. This book analyzes the 'high politics' of German foreign policy towards Czechoslovakia/the Czech Republic and Poland, focusing on the main diplomatic ag
