40) -- THE WAR YEARS (1940-50) -- RETIREMENT YEARS (1952-75) --
NOTES -- SELECTED BIBLIOGRAPHY.

Sommario/riassunto

Biographic Memoirs Volume 66 contains the biographies of deceased members of the National Academy of Sciences and bibliographies of their published works. Each biographical essay was written by a member of the Academy familiar with the professional career of the deceased. For historical and bibliographical purposes, these volumes are worth returning to time and again.
