Sommario/riassunto	From reanimating dead bodies with electricity, which led to the introduction of the electric chair, through to the use of machines to render hysterics and the insane fit for reintroduction into society, this book conveys the truths behind our relationship with machines. It is a contribution to the contemporary debates about humans and machines. Please note that images or diagrams have been excluded from this text due to copyright restrictions.

Sommario/riassunto	Praise for ADVENTURES of a CURRENCY TRADER ""A truly easy, unique, and enjoyable read! Rob has done it once again to teach us in the funniest way possible how not to make the most common trading mistakes. If you are tired of reading how-to books, this is perfect for you. I highly recommend this book to all traders. Everyone will learn something about themselves by reading this book.""-Kathy Lien, author, Day Trading the Currency Market, and Chief Strategist, www.dailyfx.com ""Adventures of a Currency Trader is a must read for anyone who has ever traded or is thinki
