Sommario/riassunto	London. 2016. A strange and unsettled time--where men and the violence of gangs rules the streets. In a dangerous world we hear a new voice--Imogen's. Suffocated by her father's aggression--her man kicked out of town, her life under threat, poisoned by the drugs of her step-mother--she strikes out on her own to try and reach the man she loves. A thrillingly raw and modern adaptation of Shakespeare's Cymbeline, re-told and created by young Londoners. This production will employ modern costumes and staging.
