Sommario/riassunto	Harry Markopolos and his team of financial sleuths discuss first-hand how they cracked the Madoff Ponzi scheme No One Would Listen is the thrilling story of how the Harry Markopolos, a little-known number

cruncher from a Boston equity derivatives firm, and his investigative team uncovered Bernie Madoff's scam years before it made headlines, and how they desperately tried to warn the government, the industry, and the financial press. Page by page, Markopolos details his pursuit of the greatest financial criminal in history, and reveals the massive fraud, governmental incompetence, and crimin
