Parsons -- Paul's disability: the thorn in his flesh / Adela Yarbro Collins -- In sickness and in health: ancient rituals of truth in the Greco-Roman world and 1 Peter / Meghan Henning -- "The punishment of the devil was apparent in the torment of the human body": epilepsy in ancient Christianity / Nicole Kelley.

---

Sommario/riassunto

The primary aim of this volume is to synthesize the two fields of disability studies and biblical studies. It illustrates how academic or critical biblical scholarship has shown that many texts involving disability in the Bible is much more nuanced than a casual reading or isolated proof texting may indicate.
