Nota di contenuto	The problem -- The scope of child maltreatment -- Historical perspective -- Factors associated with child maltreatment -- The path of intervention -- Interviewing skills -- Child abuse and neglect treatment -- Child maltreatment prevention -- Treatment evaluation -- Instruments.
Sommario/riassunto	How do you intervene in abusive and neglectful families, or prevent maltreatment in families at risk? How can you find the answers you need in the overwhelming array of information now available? This volume helps readers focus by evaluating a wealth of references to current published literature and pinpointing the practical applications that put these findings into action.

Sommario/riassunto	This book uncovers the roots of authentic leadership through a detailed analysis of how philosophy and psychology are relevant for understanding leadership. It reinscribes virtue and integrity into leadership studies by way of key concepts which include; identity-formation, the narrative self, the importance of decision-making, and the philosophy of creativity. In an era when leadership integrity has come under serious attack from authoritarian leadership, and left and right-wing extremism, the 'Philosophy of Authentic Leadership' opposes all such forms by arguing for the pursuit of the common good, democratic rights, civic freedoms, and cosmopolitanism. This is a work of interest to students of leadership and political scientists alike.
