Sommario/riassunto	L'Union catholiques des fermieres de la province d'Ontario, connue aujourd'hui sous le nom de l'Union culturelle des Franco-Ontariennes, est, depuis soixante ans, tres active dans les milieux francophones ontariens. Dans cet ouvrage, Estelle Huneault a etudie un domaine peu explore concernant les circonstances qui ont amene les femmes rurales

franco-ontariennes des années trente a se regrouper dans une association autonome, francophone et catholique. Elle a brillamment démontré que les luttes de pouvoir entre la hiérarchie catholique et les dirigeants de l'État québécois ont eu des reperc

Sommario/riassunto	The prevailing conception of language is often called 'the received view.' Though ubiquitous, Louis S. Berger demonstrates its flaws and the difficulties it raises for other disciplines, such as philosophy and physics. In Language and the Ineffable, Berger develops an unconventional model of human development: ontogenesis. A radical and generative feature of the model is the premise that the neonate's

world is holistic, boundary-less, unimaginable, and impossible to describe; in other words, ineffable. This study unsettles the foundations of sacrosanct beliefs about language and a host of othe
