Descrizione fisica	1 online resource (96 p.)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Every emotion of the heart is reflected in the Psalms with words that express our deepest and strongest feelings. They provide comfort and joy, leading us to the place where worship flows. This poetry on fire is divided into five books, mirroring the five books of Moses that form the first books of the Old Testament. Together they convey the depth of our longing and fears, joys and celebration, becoming a mirror to the heart of God's people in our quest to experience God's presence. Book Two is known as the "Exodus Psalms." Like the ancient Hebrew book itself, which chronicles Israel's deliverance out of oppression, these psalms lament our suffering and long for similar redemption. Many poems are cries to God for help; they ask him to wake up and do something about our trials and trouble Others wonder if God has forgotten his people in the midst of their pain and problems. Still other psalms cry for revival and renewal, praying from a place of weariness and ache. Then there are the poems that praise God for his faithfulness, protection, and grace--leading to faith and trust. We've designed this study to help you explore these praises and prayers placed inside poems that spill out of a fiery, passionate heart. May this study of poetry on fire free you to become a passionate, sincere worshipper, and experience the heart of God anew in faith and worship. About the Passionate Life Bible Study Series: God longs for everyone to encounter the passion of his heart. Inspired by The Passion Translation, this heart-level Bible study is ideal for both individual devotional study</p>

and small groups. Kindle a burning desire for a passion-filled life
fueled by the heart of God

Sommario/riassunto	<p>This volume offers invaluable new insights into the controversial lives and history of Prince and Princess Chichibu - two high-profile members of the Japanese imperial family, both before and after the Pacific War. Their lives were lived both above and below 'the clouds', with the princess a commoner in an arranged marriage and the popular 'sporting prince', dogged by ill health and his association with the Japanese Imperial Army. At the heart of the book is a complete translation of Princess Chichibu's original autobiography, first published in a shorter, condensed version in 1996 under the title The Silver Drum , together with a short biography of Prince Chichibu supported by important new data on his role in the war years, thanks to recent access to new studies as well as the prince's own writings. Also included for the first time is a translation of most of Princess Chichibu's collection of poems which formed part of the original memoir.</p>
