Sommario/riassunto	"An updated version of the groundbreaking, violently funny play"-- About the play. "SubUrbia is a play by Eric Bogosian chronicling the nighttime activities of a group of aimless 20-somethings still living in their suburban New Jersey hometown and their reunion with a former high school classmate who has become a successful musician. The musician Pony's return strips away illusions and excuse to reveal the meaningless dead-end existences of everyone"--wikipedia.
