### Sommario/riassunto

'Informative, accessible, and fun to read- this is an excellent reference guide for undergraduates and anyone wanting an introduction to the fundamental issues of metaphysics. I know of no other resource like it.'- Meghan Griffith, Davidson College, USA  
'Marvellous! This book provides the very best place to start for students wanting to take the first step into understanding metaphysics. Undergraduates would do well to buy it and consult it regularly. The quality and clarity of the material are consistently high.' - Chris Daly, University of Manchester, UK
