Alternative Futures: Detente, Confrontation, Transformation?; 12. Managing Soviet-U.S. Relations: Challenges and Choices; Glossary; About the Author; Index
Sommario/riassunto	First published in 1990, this ground-breaking book sought to determine whether contemporary Russia had the capacity to change

and if, in so doing, it could alter the complex web of East-West relations from a zero-sum struggle to a state of peaceful competition and mutual security. In order to answer this question, the author compares advances and setbacks in arms control and security affairs with co-operation on less politically salient issues such as environmental degradation. He finds that in the nearly seventy years preceding Mikhail Gorbachev's rise to power, the Kremlin relied o
