Sommario/riassunto	Professional Risk and Working with People provides advice on assessing and managing risks for all those employed to take risks with or on behalf of other people. The authors explore issues of risk assessment and management that provides readers with a broad knowledge of risk practices that can be applied across a range of disciplines. They detail the benefits of risk as well as the potential harm and explain relevant

legislation and concepts of negligence in clear and accessible language.
Examples of risk policies, systems and effective judgement in
managing complex risk decisions are also inc
