

1. Record Nr.	UNINA9910963541603321
Titolo	The genitive case in Dutch and German : a study of morphosyntactic change in codified languages / / by Alan K. Scott
Pubbl/distr/stampa	Leiden ; ; Boston : , : Brill. c2014
ISBN	9789004183285 9004183280
Edizione	[1st ed.]
Descrizione fisica	1 online resource (xi, 383 pages)
Collana	Brill's studies in historical linguistics, , 2211-4904 ; ; 2
Altri autori (Persone)	ScottAlan (Alan K.)
Disciplina	435/.5
Soggetti	Grammar, Comparative and general - Morphosyntax Grammar, Comparative and general - Possessives Linguistic change German language - Possessives Dutch language - Possessives
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front Matter / Alan K. Scott -- Introduction / Alan K. Scott -- Morphosyntactic Change / Alan K. Scott -- The Genitive Case / Alan K. Scott -- Data and Methodology / Alan K. Scott -- The Dutch Genitive / Alan K. Scott -- The German Genitive / Alan K. Scott -- Codification and Morphosyntactic Change / Alan K. Scott -- Conclusions and Closing Remarks / Alan K. Scott -- Appendix 1: Primary Sources / Alan K. Scott -- References / Alan K. Scott -- Index / Alan K. Scott.
Sommario/riassunto	In The Genitive Case in Dutch and German: A Study of Morphosyntactic Change in Codified Languages , Alan K. Scott offers an account of the tension that exists between morphosyntactic change and codification, focusing on the effect that codification has had on the genitive case and alternative constructions in both languages. On the basis of usage data from a wide variety of registers, from the 16th century to the present day, Alan K. Scott demonstrates that codification has preserved obsolescent morphological genitive constructions in Dutch and German while suppressing their potential replacements, and shows that, despite its association with norm-conformant language, the genitive is used to

a surprisingly large extent in informal early modern Dutch and modern German sources.
