Sommario/riassunto	At a time when cities appear to be fragmenting mosaics of ethnic enclaves, it is reassuring to know there are still stable multicultural neighborhoods. Beyond Segregation offers a tour of some of America's best known multiethnic neighborhoods: Uptown in Chicago, Jackson Heights (Queens), and San Antonio-Fruitvale in Oakland. Readers will learn the history of the neighborhoods and develop an understanding of the people that reside in them, the reasons they stay, and the work it takes to maintain each neighborhood as an affordable, integrated place

to live.
