| Sommario/riassunto      | Organization and aesthetics shows how aesthetic understanding of organizations can extend our knowledge and sharpen our insights into many of the micro-processes that shape organizational behaviour.                                                                                                                                                                                      |
