Sommario/riassunto

White Man Crawling is a collection of short stories and poems by the award winning Bulawayo writer John Eppel. His stories are uncomfortably funny; his poems uncomfortably sad. His stories speak first to all of us, then to his own quirky nature; his poems speak first to himself and to those few who know him nearly, and then to all of us. For more than forty years John Eppel has been a unique double-voice in the annals of Zimbabwean literature: the satirist and the lyricist.
