Sommario/riassunto	Despite the rising interest in school districts, there are relatively few comprehensive resources available for graduate students in educational leadership programs. The Challenges of School District Leadership takes the position that the best way to prepare the next generation of school district leaders is to make certain that they are prepared to address the unending challenges that characterize public education today. Drawing on the latest research as well as actual examples, the

book spotlights ten of the perennial challenges facing superintendents and school boards. Among the challenges d
