O'Neil, Cheryl A. Fisher -- Theoretical considerations for professional education / Cheryl A. Fisher, William A. Sadera -- Practical considerations for nursing professional development education / Susan Bindon.
Sommario/riassunto	This third edition of the best-selling nurse educator's handbook on using online teaching tools and assessing their results keeps pace with the rapid-fire progression in digital learning that has occurred since the second edition was published in 2008. Completely revised and updated, this edition presents several new interactive digital tools and current guidelines in translating courses from the classroom to the online environment. It provides new content on Web-based learning

theories and how to optimally teach students using the latest technology. Additionally, this edition offers new infor
