Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. 169-200) and index.
Sommario/riassunto	Paperback edition of the pathbreaking book on the role of exiles in international relations, with a new foreword (including material on the war in Iraq). "In a world increasingly shaped by transnational organizations and processes, this is a timely and welcome subject, and Yossi Shain provides an informative overview." --Rogers Brubaker, Harvard University, in The American Journal of Sociology "Engrossing." -- International Affairs "Mr. Shain is at his best stitching together information that hitherto had not been systematically related to analytical themes. . . . A major contribution to understanding the patterns and complexities of the politics of those at home abroad." -- International Migration Review " The Frontier of Loyalty is the first comprehensive and theoretically oriented study of exile politics; the types of exile activity; the relation to both the home and host governments; and the difficulties and ambiguities of exile politics, particularly the struggle for legitimacy as spokesman for the opposition at home and for recognition from the outside." --- Juan J. Linz, Yale

University "An ingenious and sensitive analysis of political exiles as 'voice from without, ' which contributes to our understanding of the transnational character of contemporary politics." --- Aristide R. Zolberg, New School for Social Research "Drawing upon a wide literature on contemporary political exiles, Yossi Shain presents a sophisticated, learned and sensible survey of their place in political life today. More important, his meditation on the role of exiles proves such essential political categories as legitimacy, national loyalty, and opposition in the modern state. One test of any work of scholarship is whether it enhances our understanding of concepts that we have previously taken for granted. By this measure, Shain's book passes with flying colors." --- Michael R. Marrus, University of Toronto
