Sommario/riassunto	Bettina von Stamm and Anna Trifilova have gathered together the thoughts and ideas of over 200 of the most creative innovators from business, professional practice and academia from nearly 60 countries. The contributors look at innovation from almost every angle. Their

statements offer an unparalleled view of innovation and provide a depth of insight that is extraordinary. The editors' reflection on each statement and on the sections within the book, provide useful links between themes and reinforce the relationships between many of the ideas. Anyone interested in innovation (student, researche
