Sommario/riassunto	The Arab Spring and Arab Thaw examines a range of successful and unsuccessful protest strategies and counter revolutionary tactics employed by protestors and autocratic regimes. Contributors explore the reactions of the USA, EU and Arab League to events in the region and provide insight as to the gendered dimensions of the struggle along with the ethnic and tribal divisions that continue to impact the post-revolt period. By addressing these critical queries the book demonstrate how the Arab Spring has evolved into a protracted Arab Thaw that continues to profoundly affect regional and internat
