Sommario/riassunto

Korea 2013: Politics, Economy and Society contains concise overview articles covering domestic developments and the economy in both South and North Korea as well as inter-Korean relations and foreign relations of the two Koreas in 2012. Additional papers deal with topics such as the promotion of the South Korea-EU trade agreement, the globalisation debate in South Korean higher education, the ideational foundations of the South Korean Unification Church, environmental policy in North Korea, the role of multilateralism in North Korea's foreign policy, and US television portrayal of North Korea. A detailed chronology complements the articles.
