| Sommario/riassunto   | Wiley's new Handbook of Decision Making is a vital reference text for all students and professionals of management, organization and decision making. The handbook offers a wide range of theoretical and empirical approaches to the understanding of organizational and strategic decisions. Contributors are internationally known experts drawn from North America, Canada and Europe who have spent many years in the study of decision making, and decision making relevant topics. We believe the handbook will become a tour de force in the understanding decision making, offering a wide variety of pe |
