Sommario/riassunto

The Historical Dictionary of Skiing relates the history of the sport through a comprehensive alphabetical dictionary with detailed, cross-referenced entries on key figures, places, competitions, and governing bodies within the sport. Author E. John B. Allen introduces the reader to the history of skiing through a detailed chronology, an introductory essay, appendixes and an extensive bibliography. This book is an excellent access point for researchers, students, and anyone interested in the history of skiing.
