Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Sociology and its historiography -- pt. 2. Deconstructing eurocentrism : connected histories.
Sommario/riassunto	Arguing for the idea of connected histories, Bhambra presents a fundamental reconstruction of the idea of modernity in contemporary sociology. She criticizes the abstraction of European modernity from its colonial context and the way non-Western "others" are disregarded. It aims to establish a dialogue in which "others" can speak and be heard.
