Nota di contenuto	An environmental geography of the northeast Woodlands -- The structure of Woodland society -- Native American kinship systems -- Child rearing from birth to marriage -- A world wrought from nature -- The bountiful earth mother -- Native American ceremonies and rituals -- The tomahawk and the cross -- Wilderness warfare -- The fur trade -- Intertribal trade and conflict -- Dispossessing the First Nations -- The Indian alliances -- Fighting back : the dark and bloody ground.
Sommario/riassunto	This volume provides insight into the family life of Native Americans of the northeast quadrant of the North American continent and those living in the adjacent coastal and piedmont regions. These Native Americans were among the most familiar to Euro-colonials for more than two centuries. From the tribes of the northeast woodlands came Ogreat hunters, fishermen, farmers and fighters, as well as the most powerful and sophisticated Indian nation north of Mexico [the Iroquois Confederacy].
