Nota di contenuto	Frontmatter -- Preface -- Contents -- 1. Whether Everything is True What God Knows -- 2. Whether God Necessarily Knows Whatever He Knows -- 3. Whether God Knows Something at Some Time -- 4. Whether God Knows All Past and Present Events -- 5. Whether God's Knowledge Exceeds His Power -- 6. Whether God Causes Everything What He Knows -- 7. Whether God Knows Singular Truths? -- 8. Whether God's Knowledge of Singular, Contingent Truths Implies the Mutability of God -- 9. Whether God Knows What Is Not. -- 10. Whether Knowledge or Truth Can Change the Status of a State of Affairs -- 11. Whether God Knows Future States of Affairs -- 12. Whether God Knows Everything That is True -- 13. A Theory of Omniscience -- LITERATURE -- Subject Index -- Name Index -- Backmatter
Sommario/riassunto	The aim of the book is to clarify the concept of omniscience. This is done first by discussing basic questions on omniscience (chs.1-12) and secondly by offering a theory of omniscience as an axiomatic system in which also a definition of omniscience is given (ch.13). The twelve chapters deal with questions like whether everything is true what God knows, whether God s knowledge is bound to time, whether it concerns singular truths or only laws, whether it extends also to contingent futureevents.etc. The book is neither a book about the existence of God nor about proofs for his existence. It is
