Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Preface; Acknowledgments; Chapter 1; Chapter 2; Chapter 3; Chapter 4; Chapter 5; Chapter 6; Chapter 7; Chapter 8; Chapter 9; Chapter 10
Sommario/riassunto	Although consultants influence the outcome of major endeavors in the fields of management, finance, government, and engineering, few attempts have been made to establish the tenets and techniques of consulting. In Principles and Practices of Professional Consulting, author Steven C. Stryker outlines the basic tools required of this critical skill. In doing so, he looks into the history of consulting, the consulting process itself, and the key practical skills and techniques that are needed for successful consulting. Case examples based on real-life situations aptly demonstrate the applicabilit
