Sommario/riassunto	In this rich, surprising portrait of the world of lesbian and gay relationships, Christopher Carrington unveils the complex and artful ways that gay people create and maintain both homes and "chosen" families for themselves. "Carefully separating stereotype from reality, Carrington investigates family in the gay and lesbian community. Relying upon interviews and observation, the author analyzes the loves and routings of 52 diverse lesbian, gay, and bisexual couples in the Bay

area. . . . [He] closes the work with a discussion of the raging same-sex marriage debate and posits an enlightened solution to this dilemma." - Library Journal
