Autore	Schutter Olivier de
Titolo	Trade in the service of sustainable development : linking trade to labour rights and environmental standards // Olivier De Schutter
Pubbl/distr/stampa	Oxford ; ; Portland, Oregon : , : Hart Publishing, , 2015
ISBN	9781782257165 1782257160 9781782257134 1782257136
Descrizione fisica	1 online resource (220 p.)
Disciplina	338.9
Soggetti	Employee rights Sustainable development Trade regulation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Setting the stage : the limits of fragmentation -- Sanctions against goods or services that do not comply : WTO disciplines -- The special regime of border tax adjustments : levelling the playing field -- Generalized systems of preferences : the 'conditional preferences' approach -- Labelling schemes : supporting ethical consumerism -- Public procurement : the power of the purse.
Sommario/riassunto	"In the Bretton Woods era, trade liberalization, the improvement of labour rights and working conditions, and the strengthening of environmental policies, were seen as mutually supportive. But is this always true? Can we continue to pretend to protect the rights of workers and to improve environmental protection, particularly through climate change mitigation strategies, within an agenda focused on trade liberalization? Is it credible to pursue trade policies that aim to expand the volumes of trade, without linking such policies to labour and environmental standards, seen as 'non-trade' concerns? This book asks these questions, offering a detailed analysis of whether linkage is desirable and legally acceptable under the disciplines of the World Trade Organization (WTO). It concludes that trade can work for

sustainable development, but only if we see it as a means for social and environmental progress, including climate change mitigation, and if we avoid fetichizing it as an end to be pursued for its own sake."--
