Royalty and Celebrity; CONCLUSION 10 Royal Power and Media Power AFTERWORD Calibration and Compliance In The UK: Mourning, Celebration and Conformity In 2002APPENDIX A Note on Britain and Europe; REFERENCES; INDEX
Sommario/riassunto	Is obsession with the Royal Family in Britain a fact of culture or an illusion of media culture? What interest do the European media display in their royal families? Does twenty-first century monarchy remain a political and ideological force - or is it just an economic commodity? Media, Monarchy and Power provides a radical insight into the cultural and political functioning of royalty in five countries. Blain and O'Donnell examine the bonds between monarchies and their 'subjects' or 'citizens', and the relationships between royal families, the media, and nation-states. Numerous case-studies f

Sommario/riassunto	Ethics and the University brings together two closely related topics, the practice of ethics in the university (""academic ethics"") and the teaching of practical or applied ethics in the university. This volume is divided into four parts: * A survey of practical ethics, offering an explanation of its recent emergence as a university subject, situating that subject into a wider social and historical context and identifying some problems that the subject generates for universities * An

examination of research ethics, including the problem of plagiarism * A discussion of
