---

Sommario/riassunto

Transformational Grammar's Underground Classic! Back in Print in the Nick of Time! (Just as the photocopies were getting too fuzzy to read!) Here is the complete and unexpurgated version of the legendary lost classic of porno- and scatolinguistic theory. Included are the seminal writings of Quang Phuc Dong (English Sentences Without Overt Grammatical Subject), Yuck Foo (A Selectional Restriction Involving Pronoun Choice), V. Anantalinguam ("Up Yours" and Related Constructions), Ebbing Craft (Up Against the Wall, Fascist Pig Critics!) and other lost eminences.
